INVISIBLE WOOD

Especialmente concebido para os clientes mais exigentes, o INVISIBLE WOOD permite a instalação de uma porta em madeira com um sistema de correr inovador completamente invisível. Sem elementos inestéticos visíveis, o INVISIBLE WOOD possibilita a criação de espaços modernos e sofisticados, nos quais as suas portas se tornam elementos decorativos essenciais.

Specially designed for the most demanding customers, the INVISIBLE WOOD enables the application of a sliding door with an innovative completely invisible sliding system. Without unaesthetic visible elements, the INVISIBLE WOOD enables the creation of sophisticated and modern spaces. This new OPENSACE system transforms any space into a modern design room, making the simplest doors a primary decorative element that can be customized to your taste.
